

## ***Announcement 29-17R***

### ***203k Program - Temporarily Suspended***

Effective Immediately

Mortgage Solutions is suspending the 203k program. This is a ***temporary suspension*** to allow our processes to be re-tooled and allow for new home renovation products.

New 203k submissions will not be allowed until the product is re-released.

The ability to price and lock the 203k has been suspended as well. Please contact [locks@mortgagesolutions.net](mailto:locks@mortgagesolutions.net) to price and/or lock a 203k loan that is already in the pipeline.
